# Howdy JBBA,

The time for JBBA Junior Nationals has finally arrived. Junior Nationals is so many different things to everyone. For some, it will be a family vacation. For others, it's just another stop on the long road that is the summer show season. It will be the first Nationals for our new exhibitors, and it will be the last ride for many of our more seasoned showmen.

For me, this Nationals will be a lot of different things. It will be my 12th year to walk into the ring as a JBBA member. Sadly, it will be my first Nationals without my dad cheering me on from the side of the ring. It will be the Nationals where I retire as President of this amazing organization, and most importantly, it will be yet another chance to hang out with and compete with some of my absolute favorite people in the world.

This show has been fun for me to work on, but there has definitely been some hard work that has gone into planning a fun and exciting week for everyone. There is a lot of behind the scenes work that goes into putting on a show of this caliber, and I want to thank the JBBA Board of Directors for all the time and energy they have put into planning this show. We got home from "Boomin' for Beefmasters" last summer and dove straight into planning what we are excited to call "Wild About Beefmasters."

I also want to thank the JBBA Adult Committee for everything they have done over the past year to support not only our junior board, but also the JBBA organization. Beefmaster Breeders United has supported us greatly as well- especially Laurel Kelley, the head of junior programs, and Dr. Joe Mask, our Executive Vice President. These two work together and strive to help our junior board in any and every way they can. As you can tell, I think very highly of this team and hope that if you don't already know them, that you will make it a point this week to meet them!

My final and biggest thanks I can give goes out to our generous donors. The monetary investment it takes to put on this show and to cover our operating costs is not just a drop in the bucket. Our strong base of support has really shown up and stepped up to help us put on this show. I cannot express how much I appreciate not only the generosity put forth into our program, but your investment in the future of our breed.

Sincerely,

**Bennett Janssen**  
**2022 - 2023 JBBA President**

Amanda Hoffmann has been selected as the 2023 Beefmaster Breeders United (BBU) summer intern. Amanda is a Sophomore at Texas A&M University, majoring in Animal Science. She will graduate May of 2026.

Amanda grew up in Schertz, Texas, which is a suburb of San Antonio, Texas. Hoffmann grew up on her family's Angus cattle operation, where she learned the ins and outs of raising livestock. At Texas A&M, Hoffmann has become involved in various organizations such as Saddle and Sirloin, Fish Council, and she currently serves as the Class of 2026 Vice President of Membership. After graduating with a degree in Animal Science, she hopes to pursue a career in a breed association or in politics. BBU#: C1098922 • ID#: 868  
DOB: 2/18/2018 • Color: Red

Simply outstanding – big footed with power, thickness and perfect structure. **EMS Bubba Tough** puts everything together in what you look for in a bull. He adds power and length, while maintaining the structure desired for calves. HEIFER SAFE, low Birth Weights and watch these calves grow! These traits are no accident. **Tough's** dam, Bonfire's Barbie (Miss Beefmaster 2012), has done it all both in the show ring and the production arena. **Tough** expresses the phenotype of long extended front, massive top, square hip and tremendous muscle.
