

BBU Members Encouraged to Display Cattle at Beefmaster Symposium!

Attention BBU Members!

As most of you have heard, BBU will be hosting a Beefmaster Symposium in Waco, Texas at the Heart O' Texas Fairgrounds on Aug. 14-15, 2009. The program will include a series of educational seminars and forums, display cattle and a JBBA Heifer Show. International guests will be present from Mexico, Panama, Thailand and South Africa.

Please consider this your personal invitation to display your "Pride of the Herd." If you have a herd bull or herd bull prospect that you need to campaign, bring him to town and show him off. Let people view

your operation. Also, that special female that anchors your program would be another viable animal to showcase.

Centrally located in the heart of Texas, existing and prospective breeders will be in attendance to view your display. Don't delay; put your ranch in the spotlight. A limited number of pens is available and will be on a first come basis. The cost of a display pen is \$250. Please fill out the form below and mail with your check. Reserve your pen now and make history by being a part of the first Beefmaster Symposium. ★
